Music Survey

When creating a sacred space for worship in Mass, music can be an important element. To help us learn more about music preferences in our parish, take a moment to make a list of your favorite hymns, then visit olmcc.com to complete a short survey to share your favorite hymns with our staff.

Second Collection Next Weekend

Next weekend, the archdiocese will be taking up the national collection for The Catholic University of America. By giving to the collection, you are supporting future Catholic leaders, both religious and lay, who are being formed by an exceptional, faith-rooted education and the university's various research and training initiatives that support dioceses and parishes in responding to the most pressing needs of their faithful.

Parish Support Needed

Prayerfully consider volunteering for the following opportunities to serve our parish:

- Lectors (read at Mass)
- Sacristans (set up before/clean up after Mass)
- Altar servers (assist the priest during Mass)
- Catechists (teach the faith to our children on Sundays during the school year)
- Leader for the Women's Fall Bible study in the evening or possibly a weekday morning

None of the above positions require any experience. However, a 3-hour training course (for adults only) in Safe Environment protocols is a requirement of the archdiocese. Once that training is completed, it is good for five years.
